## TELA CAMPING

Awnings, annexes and porches for caravans, motor-homes and holiday cabins need to have good quality, durable floor coverings.

**TELA CAMPING** is available in a range of attractive, easy to install and very durable coverings specially for this application.

**TELA CAMPING** is the classic floor covering that offers effective prevention against dirt and moisture.

**TELA CAMPING** has good air permeability and is UV stabilised, non-slip and easy to install and dismantle. **TELA CAMPING** can be easily folded away for ease of transport.

There are two types of **TELA CAMPING** available in different colours:

**TELA CAMPING** in green/black, blue/black and black/black

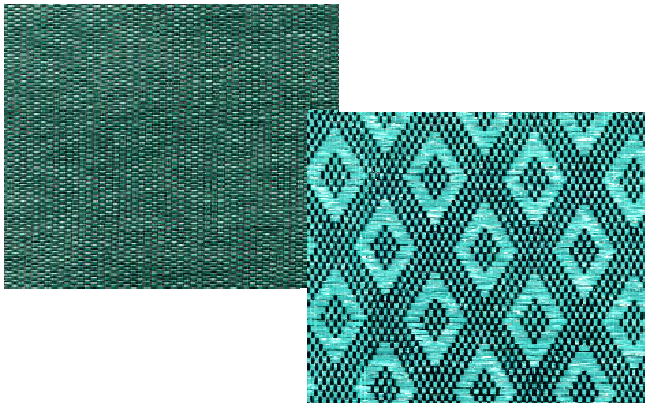

**TELA CAMPING ROMBO** in green/black, blue/black and orange/black.
